

The Night Check:

Preparing for the Calving Season

February 8th | 10:30 am – 3:30 pm | Sanders County Fair Pavilion

Calving Workshop – Presented by Katie Rein Loose, DVM (Crazy Mountain Vet)

Featuring Stella - a life sized fiberglass calving simulator!

Calving season is right around the corner and there is no better time to freshen up on recognizing and handling calving issues.

- When to assist. Understanding the stages of labor. When to call the Vet.
- What to do when there is dystocia (delayed, obstructed, or difficult labor)
- Hands-on practice to pulling difficult calving positions

Calving Checklist – Presented by Beth Blevins, DVM (All Creatures Mobile Veterinary Clinic)

Reducing the stress of calving season by being prepared ahead of time.

- What should I have in my Calving Box?
- Calving Facilities and Equipment

Vaccine Protocols for Calving Season – Presented by Beth Blevins, DVM (All Creatures Mobile Veterinary Clinic)

- Planned disease control program
- What to give and when
- Pasture management to avoid disease

Stories from the Calving Barn – Panel of Local Ranchers

- Learn tips and tricks from local ranchers
- How to reduce stress when the weather, cows, and calves aren't cooperating
- We can all learn something new from each other. Have your questions ready!

Mineral Nutrition for the Calving Season – Presented by Nicholas Courville (Beef and Specialty Feed Nutrition Consultant at CHS)

- Additives for Calving
- Moss Products for Pre-calving and Calving

CATERED LUNCH PROVIDED
