General USP

I accept this award with the understanding that the program requires me to:

1) Work with my faculty mentor as outlined and approved in my application and proposal.
2) Complete the **RCR** training appropriate for my discipline.
3) Submit a **report** at the conclusion of the funding period.
4) Give a public **presentation** of my work that acknowledges USP's financial support.
5) Follow-through with MSU and USP **research policies** (including but not limited to IRB, IACUC, Student Travel, etc.), as applicable to my project/term of funding.
6) Be enrolled as a **full-time** student during the term of my funding.
   Note for Summer Funding: Students conducting research during the summer are not expected to be enrolled full-time during summer term. Students are, however, expected to be enrolled full-time in the spring semester preceding and the fall semester following the summer in which they receive funding.
7) Stay in contact with the USP office regarding any **significant changes** in my project's scope or direction, delays in my project report, and/or changes to my presentation plans.
8) **Acknowledge** USP/INBRE support in <u>any</u> presentation, publication, or media information that refers to your project.

I further understand that failure to meet these requirements may jeopardize my eligibility for future awards and/or result in cancellation of my final payment.
